Pittsford Area School Pittsford, Michigan

Principal's Message

Another year in your life is history. Have you made your mark? Did you accomplish all you could? Are there regrets in your mind, a few "I wished I would have's"? I'm sure in some respects you will answer these questions with a yes and no. School year 84-85 has been a good year. Today as you read these words and look at this book they are about yesterday. Tomorrow is the future but today is the first day of that future. **MAKE IT COUNT:**

Best wishes for all future endeavors and happy memories.

Sincerely,
Robert Duncan
High School Principal

Seniors

The Senior Class of 1955 is very excited about graduating from HHS. Debbie Koss won the honor of Homecoming Queen.

In Basketball, Hinesburg, Jess Faby was crowned Queen and Ken Jones King. This year's Senior Class had three fundraisers in the effort to raise money for the school. A "GREAT GOOD TIME" this year has been a year for all of us. We wish the entire classmen good luck.

Juniors

The juniors started an action-packed year with a very successful magazine sale. As Football Homecoming approached we chose Trisha White and Kenton Lee as our representatives. During the course of the year we planned a Jr-Sr. Prom and Banquet. It was held in Hudson with the theme, "A Night in Heaven." As Basketball Homecoming turned the corner, we chose RaLena Milligan and Phil Carpenter as our representatives. We pulled out a second place spirit award for Homecoming Week. As the year comes to close, we look forward to the title of Seniors!

Sophomores

Our Sophomore year started off with a successful candy sale. For Football Homecoming we received second place for our Smurf Berry Crunch float. Our representatives were Rachelle Williams and Chad Culbert. We placed third with our Basketball Homecoming float, but had fun working on it. Our representatives were Chris Frederick and Allen Barr. To end the year we held the Sadie Hawkins Dance. Our goal in two years is Florida.

Our year started slowly but picked up as it went. We had good representatives for homecomings who were involved and had a lot of spirit. They were Shawn Marx and Billy Peiffer for football and Lori Lee and Lee Camp for basketball. Later in the year we had a dance which helped our money situation considerably. Thanks to our advisors, parents, and a lot of input, our year was a smash!

[illegible]

A black and white photograph of a large group of young men, likely a sports team, posing in three rows. They are wearing dark singlets with "P.F.S." on the front. The front row is kneeling, the middle row is sitting on a bench, and the back row is standing. A man in a light-colored shirt and dark pants stands on the far left.

Graduation 1985

Mari Harada—Exchange Student

Since coming to this country, my days have passed with sadness, loneliness,
happiness, puzzlement, astonishment.

In this new environment, different language and ways of thinking. I was
lost many times and even disappointed in my behavior. But I'll never forget
the things that I learned from these new experiences... because I learned
about myself and my country. If I stayed in my country, Japan, it might be
happier... but if I didn't, I'd never have found out those things.

American educational system doesn't matter even for Japanese! I learned
the importance of "respecting individual character" which is really important
educational posture. I learned a lot not only from books but also from
teachers. The biggest thing that I learned is: All people are human beings and
red blood flows through everyone's veins. Our skin and eyes are different.

but we both have the same senses. We know a flower smells sweet through
our sense of smell... we hear each other talk, and the words from our
mouths make us feel good about each other. We can look at each other and
see not only the outer beauty of our features, but also the inner beauty of our
feelings and our being.

And last, my best regards to the members of the Weber family. They took
me into their family and shared their friendships. How can I ever forget these
kind people.

I'm not afraid to go to another country any more. There's a whole new
world out there!"
